Summary

As a passionate and motivated 1st-year computer science student, I'm dedicated to exploring the ever-evolving world of technology. With a strong foundation in programming languages like Python and Java, I'm eager to learn and contribute to innovative projects. My coursework has equipped me with problem-solving skills and a thirst for knowledge, driving me to continuously expand my skill set. I'm excited to collaborate with fellow students and professionals to make a positive impact in the tech industry. Open to networking and opportunities!
